## Published Topical Collection "Sérgio Mascarenhas - A Polymath in Physics"

April 2022

We are pleased to present the Topical Collection "Sérgio Mascarenhas - A Polymath in Physics", in honour of Brazilian physicist Sérgio Mascarenhas de Oliveira (1928 - 2021). Our esteemed editors for the collection are Oswaldo Baiffa Filho, Antônio José da Costa Filho, Silvio Crestana, Glaucius Oliva, José Nelson Onuchic, and Sergio Machado Rezende.

*"As a tribute to Sergio Mascarenhas, the Brazilian Journal of Physics invited some of Sergio's collaborators to contribute to a volume dedicated to his memory. This volume is a collection of independent works contributed by the invited scientists. All articles have been peer-reviewed and judged by the progress they bring to the different areas of physics that Sergio was active."*
